

## **Paul Merklein draws Great Big Faces**

---

Dear Paul,

Thank you for your fun and entertaining performance at our school.

You certainly held the students' interest. They learned a lot about drawing the human face, and watching you work in a large and direct format was a terrific experience for them.

As one of the coordinators of our school assemblies, I also appreciate your promptness and reliability.

Thank you,

(signed)

Karen Larson  
Art Teacher  
Plum Grove Junior High School  
Rolling Meadows, Illinois
